	Late Afternoon	<ul style="list-style-type: none"> • Welcome Dinner
28 July (Tue) & 29 July (Wed)	AM & PM	<p><u>Department of Communication Activities*</u></p> <ul style="list-style-type: none"> • From Friend to Soulmate: How to Make Friends and Deepen Relationships Through discussion, guided activities, and games, explores how social media platforms and face-to-face interpersonal communication can help to make friends and deepen relationships. <p><u>Department of Economics Activities*</u></p> <ul style="list-style-type: none"> • Life of a Compliance Analyst Explores the practical application of economics knowledge from the University of Macau in a career as a compliance analyst, highlighting how textbook learning translates into daily responsibilities in safeguarding the financial system. The role extends beyond regulatory adherence to require judgment, integrity, and critical thinking in monitoring transactions for suspicious patterns indicative of money laundering or fraud. This discussion illustrates how academic knowledge translates to real-world impact, positioning compliance analysis as a meaningful and impactful career path worth exploring.
